Passion Week

Intentionality is necessary to closely follow the footsteps of Jesus during "*Passion Week,*" while learning from His **words** and His **actions**. As you read and meditate on these passages this week, jot down what Jesus **said** and what He **did** during the final week of His human life.

Matthew 21 – 28: 15	Mark 11 – 16: 13	Luke 19: 28 – 24: 35	John 12 – 20: 23
			Gospel of John covers only **22 days** of Jesus' 3.5 years of public ministry. Six of 21 chapters devoted to just **one week**. 1/3 of the verses (237 of 878) cover a single **24-hour period** in Jesus' public ministry.
